Beautiful
Moments For Ever...

Being with you is like loving every single one of my wishes come true...

TODAY WEDDING DAY

My wishw' was nothing like the sun
Good is far more red than her lips' red
If love be white, why then her skin is dark
If love be white, black skin grows on her head
I have seen those bornred: red and white
But to each there was I in her shade.

Nice Moments...

TRADITION TO FOLLOW

Royal WEDDING MOMENT

My heart is not to give,
Oh, do give yours to me,
We'll not regret up together
And share many the day
